By spotlighting Jazz or Jass Music in a new light as a young and vibrant healthy musical genre, and not one that is hanging on by life support it puts Jazz in a total new and invigorating light. The Jazz music near me conceptual virtual race will not only promote the celebration of Jazz or Jass Music, but it will also

promote the good work that The Jazzsippers Consortium does daily. Which helps to promote Jazz or Jass Music and encourage more people of all ages to appreciate Jazz or Jass Music and take part in it through a Jazz music near me concept. By helping in supporting Jazz or Jass Music based initiatives in promoting Jazz Appreciation; Jazz Awareness; and Jazz Advocacy, they are laser focus on brining Jazz or Jass Music to the forefront and allowing Jazzsippers to work collectively in these endeavors through Jazz music near me concepts.

A spokesman for The Jazzsippers said: "The Jazz Appreciation Month is a time for celebrating the Success and Importance of Jazz, but it is also to inform non-members, and members of their community about the amazing work they do, and can continually do collectively as Jazzsippers to Promote, Jazz Appreciation; Jazz Awareness; and Jazz Advocacy." And, by making it an all-inclusive Jazz music near me concept event, it provides the greatest possibility of coming together to meet on common ground issues, such as youth-based initiatives, entrepreneurial opportunities within the Jazz or Jass Music industry, and a slew of other, common ground initiatives. And to help in developing strategic alliances that can be forged with non-members of the community worldwide.

The fun Jazz music near me conceptual event is set to unite all Jazz lovers all over the world. There has never been a big Jazz or Jass Music event organized

than the virtual race. With people walking, running, and riding, they can all show their appreciation for the Jazz music of yesterday, today, and tomorrow.

It is important to promote Jazz or Jass Music and celebrate the likes of Miles Davis, Chet Baker, Herbie Hancock, and Sonny Rollins, as well as the big stars of today and the new breed of Jazz stars of tomorrow. By promoting more Jazz music near me conceptual events, it allows more people to appreciate Jazz, especially the young who will help keep the appreciation of Jazz for future generations.

Between 2018 and 2019 Spotify told the Guardian that about 40% of jazz or jass music listening on the streaming website is done by people under 30, with the percentage holding steadily since 2014. This shows a great underlining of interest in Jazz by our youth. As an Industry, Jazz has to find more Jazz music near me type events, and ways to harvest it.

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge" – Albert Einstein.
